Projects:

- Plant Sale set for May 2018. Check on any rental fee has not been done yet.
- Bus trip – 36 passengers. Had to give up Lyn Dale gardens due to lack of time. Everyone was quite pleased with Len Bush gardens and Future Farms, and of course Gertens Nursery.
- Library bed is looking very nice. Chris will check weeds in library bed and check for water at Courthouse bed in July. Linda will check on both beds in August for weeds and water.
- Community Garden is full. Mowing is done weekly. The bean disappearance was discussed.
- CCHS – weeds are appearing by the door. Will focus on removal at fall clean up. All flowers were starting to bloom. Looking pretty.

New Business:

- High Grounds problem with the Gold Star plants was discussed. The plants have root rot and need to be pulled out. Do we as MGV want to do all that needs to be done? No
- Jan Turner discussed the Eau Claire MGV coming to visit. We will meet at the High Ground on July 18. An itinerary will be sent out for all the garden walks and lunch at the Country Club. Anyone wanting to come along should notify Rose Tibbet at 715-937-0400 to reserve lunch.

Next meeting is July 24, 6:00 p.m. at Courthouse.

No August meeting due to the fair.
