Secretary's Report:

The secretary's minutes for the April 9, 2018 meeting was reviewed. Rachel Stiemann moved to approve. Seconded by Jennie Whitmire and carried.

Financial Report:

Joan Buchholz reviewed the financial report. The ending balance as of 5-12-18 was \$56,916.97, which includes \$10,175.01 of self-supporting project balances. John Brost moved to approve the financial report. Motion seconded by Jennie Whitmire and carried.

Brooke and Zach Magnus and Abby Schoessow presented a request for \$500 to help with the cost of Horse Camp. Susan Stiemann moved to fund Horse Camp with \$500. Seconded by John Brost and carried.

Discussion was held regarding attendees at Farm Technology Days. Consensus was that 4-H members and their supervising 4-H leaders performing at Farm Technology Days are not supposed to be charged. If they are, the board will look at reimbursing.

The board is requesting that the coordinators for the Clark County Kids Rodeo at this year's fair present their request for funding directly to the board.

Old Business:

Discussion was held regarding possible options for rescheduling a volleyball tournament either during the softball tournament or on a separate date during the summer. Chris Hollar will look into open dates at the Neillsville Fieldhouse. We will also seek to find out how many clubs have teams that would be involved if we try to reschedule.

Plans for Area Animal Science Day are underway. Chris Hollar noted that volunteers will be needed to assist in numerous ways that day and is encouraging interested adults to plan to be there. Amy Gerhardt suggested that clubs be notified about what opportunities there are to exhibit posters, photos, etc. at this event. Chris will e-mail clubs with that information.

New Business:

The fair drop-off and judging schedule was reviewed. Chris is attempting to see that there is a "reminder list" for each species as to the forms required for entry and showing. She also shared a judge's comment card that will be made available for judges to place on projects not receiving a blue that would explain reasons for their placing.

Our next meeting will be held on June 11, 7:00 p.m., Sunset Pines and Resort, Willard.

John Brost moved to adjourn the meeting. Jennie Whitmire seconded the motion. The meeting adjourned at 7:15 p.m.

Respectfully submitted,
Susan Stiemann, Secretary
