The recommendation for 4-H meetings is to start with a group activity

- 15 to 20 minutes of Recreation, Games, or an Activity (to get people excited and allow for late arrivals)
- 15-20 minutes of discussion “the business portion” discussion, planning, and moving motions
- The next 20 to 40 minutes is time and space for youth voices to guide program activities... something fun for the club to participate in and learn from
