Green Thumb Challenge 2022!
Rules and guidelines

1. Open to all Clark County 4-H clubs and FFAs.
2. The planter container should be a large animal mineral bin/barrel.
   Common colors are black and blue.
   Drill holes in the bottom for proper drainage.
3. Put your club name somewhere on the planter in a visible location.
4. Plants should be started and maintained through growing season.
5. Please identify the plants you have placed in your planter.
6. Plants should be seasonal and grown in the planter.
7. Planters should be in place by 8:00 p.m. on Wednesday.
8. Identify individuals who participated in creating the planter.
9. Planter locations will be drawn at the July Leaders meeting. Planter locations will sent to your club/chapter's designated contact person.

Register with the Extension Office
ClarkCounty4H@co.clark.wi.us
by July 1

Extension staff will identify judges to judge planters either Thursday or Friday at the fair.

All participating 4-H clubs will receive $15.00 for their planter courtesy of the Clark County 4-H Leaders Federation.

Fund allocation for the top three place finishers comes from the Clark County Extension Office ($75, $50, and $25 respectively for placing).

Green Thumb Challenge 2022!

Club / Chapter Name _____

Contact Person _____

Phone Number _____
