January 2026

President's Message

Happy New year to all. Our first board meeting of the year had to be postponed for a week because of ice. I'm so sick of ice, but it looks like we are in for a cold spell and I will probably be complaining then.

We did work on a project lesson. It will be on sourdough bread. It will be sometime the beginning of March. Check in this newsletter for a date and time.

Also discussed HCE day and decided on the Posey Patch Tea again. It will be in April. We will have the cultural arts judging and we are working on other ideas.

If anyone has an idea for a speaker or project for future lessons, please let VP Joanne or myself know. HCE is your organization and we on the board are getting burned out and need your help. Thanks in advance.

Lois Becker ,President

Club Happenings

Donna Odeen, FCS Instructor and FCCLA Advisor hosted the November meeting in her classroom at the Loyal High School .

She gave updates on her classroom projects including plans to prepare a Thanksgiving Dinner with the students and make apple pies with the apples they canned in class. She also showed us the new FCCLA shirts. HCE is listed on the shirts with the sponsors of FCCLA. Their members continue to volunteer to work at the Dairy Bar. Her class also prepared two charcuterie boards for us to enjoy.
